Atty Moreno, Vicente (Pro Per – Father – Petitioner)

Atty Moreno, Rosemary (Pro Per – Paternal Grandmother – Guardian)

Petition for Termination of Guardianship

		VICENTE MORENO , Father, is Petitioner.	NEEDS/PROBLEMS/COMMENTS:
		ROSEMARY MORENO , Paternal Grandmother, was appointed Guardian on 11-13-13.	
		Mother: MARGIE MORALES	<u>Continued from 7-30-14</u>
		Paternal grandfather: Deceased	
		Maternal grandparents: Not listed	<u>Minute Order 7-30-14: Parties agree to participate in mediation today at 10:30 am.</u>
		Sibling: Victoria Fry	
Cont'd from 073014		Petitioner states that when guardianship was established, he was living with his mother (Guardian Rosemary Moreno) and only working part time. He was struggling financially. With the help of his mother, he was able to provide a home for Aaron. Petitioner has never been involved with drugs or other vices, the only thing that held him back from being a father was his financial situation. It has been over six months since then and Petitioner has now been able to find good employment and a suitable apartment (in Carson City, NV) where Aaron can live comfortably. Petitioner now has the ability, time, and means to put him in school and help him grow. Petitioner states his mother is hesitant to release him because she has become attached to Aaron. Petitioner understands, but states it is time for him to be a father and take responsibility. Petitioner states the mother has never been a part of Aaron's life. Since moving to Carson City, NV, Petitioner has done nothing but send packages for his son. He continues to participate in his life and school. See attached declaration of Aaron's teacher. Petitioner states in the past six months he has tried to visit at least twice, but his mother always has an excuse for him not to visit. Petitioner requests the Court terminate the guardianship and grant sole legal and physical custody so that Aaron can live with Petitioner.	<u>As of 9-3-14, nothing further has been filed.</u>

Guardian's Objection states the petitioner shows a total disregard for Aaron's care and safety, developmental progress, education, and financial needs since birth. Consequently, he left Aaron in Guardian's care in the summer of 2013. He would leave Aaron home alone at the age of six. Aaron is inappropriately fascinated with violent video games that Petitioner exposed him to at a young age. Petitioner was pulled over on more than one occasion for failing to secure Aaron in a child seat, and also had his vehicle impounded for transporting Aaron with a suspended license.

Ms. Moreno states Aaron has a learning disability, and struggled to meet many educational and developmental milestones while under Petitioner's primary care. He was not able to dress himself before age seven, and did not understand the concept of time until age eight. He has now been diagnosed with ADHD and is receiving education accommodations and special education assistance as described in his new IEP (attached) as well as medication that helps him focus.

Ms. Moreno states he has been receiving private tutoring in reading and his skills have now improved to match his 2nd grade level. He is attending a recreational summer camp for the remaining four weeks of summer before 3rd grade, and is scheduled to return to his tutoring in the fall. He is also scheduled to participate in a Speech Pathology program at CSU designed to provide support for his stuttering disorder.

Aaron's special education needs and medical diagnosis require extensive financial resources to provide appropriate care, which she has provided since his birth. Ms. Moreno states she is the only stability that Aaron has experienced in his eight years of life and terminating the guardianship would seriously jeopardize Aaron's safety, developmental, and educational progress.

Court Investigator Samantha Henson filed a report on 7-24-14.

Mother's objection states Petitioner has continuously lied to the system to gain rights to see her children. There is a continued court date on 9-5-14 for the eviction, not a sheriff lock out. Ms. Kirk states she has already signed a lease on a new apartment and her children are in no danger of being homeless. Ms. Kirk receives county assistance to help her support her children. Her children eat full meals and she makes sure plenty of food is available at all times. She has no fraud or elder abuse charges whatsoever. She has never been under the influence of methamphetamine or arrested for drugs. Ms. Kirk states she is in a methadone treatment program for prescription painkillers that she was prescribed.

Ms. Kirk states she moved to Fresno County in July 2013 to go to college and graduated with honors in May 2014 and is actively seeking employment. Petitioner is a con artist and a criminal. The County denied payment of child care to her because of her criminal background. Ms. Kirk wants her children returned to her so that she can move away from Petitioner and her family and move on with their lives.
